

HALA Contec is a global supplier of customized thermal management solutions and thermal interface materials (TIM) for optimizing thermal interfaces. The broad product portfolio includes thermal conductive films and foils, gap filler elastomers and 2-component dispensing compounds as well as adhesives and tapes for industrial, LED, medical or automotive applications, among others. Heat pipe assemblies are hardware components that we develop with our customers on a customer-specific basis and that round off our product and service portfolio.

To support our sales department in Kirchheim unter Teck (Germany) we are looking for an

EMPLOYEE IN TECHNICAL OFFICE SALES (F/M/D)

Full-time, unlimited, long-term

YOUR TASKS:

Based in Kirchheim unter Teck, you will assist our customers with a focus on foreign countries with technical inquiries, find solutions together with our team and provide advice. To make your start easier, our team will guide you through an exciting introduction, with personal support from management. Our key account and product management is looking forward to your suggestions for optimization and a pleasant cooperation.

YOUR PROFILE:

- You have a technical or commercial education/ studies
- You are tech-savvy and enjoy learning new things (thermal management experience is NOT a requirement - we have a very good onboarding process, even for employees who don't have specific work experience) and love to organize
- You work independently and in a structured manner, among other things, in the creation and follow-up of inquiries, offers in close cooperation with our customers, sales colleagues in the branches in Germany and China as well as with our European partners
- You advise our customers by telephone or in video calls and support them with questions
- You have a very good knowledge of German and English, both written and spoken
- You are good and confident with MS Office, if you have some experience with enterprise resource planning systems, all the better

THIS IS WHAT YOU CAN LOOK FORWARD TO:

- Good opportunities for advancement and involvement in a rapidly growing company
- In our comprehensive induction and product training we prepare you optimally for your start - we do not presuppose any specialist knowledge
- A lot of freedom and flexible work scheduling
- We offer a permanent and secure employment with very good pay
- Family atmosphere with very good cooperation in the team
- Flat hierarchies and fast decision-making processes
- A motivated team that has a lot of fun at work and celebrates its successes
